

Engage, Train and Retain

Charter Global provides our Engage, Train, and Retain (ETR) offering to fill open roles, optimize technology investments and boost innovation within your organization. ETR provides tailored, short-term staffing, upskills and mentors your team for sustained organizational growth.

Key Features of ETR

Expert Short-Term Resources

Our experts enable you to restart and progress on-hold projects due to staffing shortages.

Packaged Training

We deliver platform training programs to upskill your team skills, preparing them for current and future project demands.

Mentorship

Our experts mentor your staff throughout the engagement, ensuring a rich transfer of knowledge and sustained skill development.

ETR Business Benefits

- **Optimize Platform ROI:** Realize the value of your technology investments.
- **Elevate Business Efficiency:** Finish stalled projects to upgrade your operational effectiveness and bottom line.
- **Progress & Process Evolution:** Enable your team to make ongoing improvements in projects and workflows.
- **Business Agility:** Strengthen your responsiveness to changing market conditions.

Our ETR strategy session helps you identify and prioritize staffing, projects and technologies and will tailor an engagement to your specific needs. Our strategic solution meets your complex challenges with immediate expert support and lasting staff development, clearing the way for ongoing expansion.
