Oracle JD Edwards Solutions

Drive digital transformation
and business results.

Connect your people to the data they need to take action. Charter Global offers customizable apps, JD Edwards expertise, and consulting services to optimize and support your Oracle JD Edwards platform.

Charter Global is the only Oracle partner to offer apps for JD Edwards.

Customization of JDE Embedded Apps is challenging and expensive. Charter Global's industry JD Edwards experts leverage the Oracle MCS platform to transform and extend your Oracle enterprise processes to digital and mobile. Our digital and mobility solutions are pre-configured for a rapid implementation so you can go live in weeks rather than months.

- ◆ One digital platform for a long-term digital solution
- ◆ End-to-end solution for delivering mobile apps
- ◆ Carry over your JDE sign-on credentials — User ID and roles
- ◆ Run current JDE version and processing options for programs
- ◆ No new tasks to create on JDE Menu or E1 pages
- ◆ Reuse custom objects and built-in JDE business logic
- ◆ Go live in weeks by leveraging Oracle MCS

Charter Global Offers an End-to-end solution for delivering mobile apps.

- ◆ Oracle Mobile Cloud Platform expertise
- ◆ Oracle MCS provider – consulting, delivery, and implementation
- ◆ Hosting of apps
- ◆ Distribution of apps using SAAS model
- ◆ Push, sync, location services
- ◆ Adoption and usage analytics
